Kosciusko REMC announces personnel changes

WARSAW, INDIANA (January 4, 2012) – Kosciusko REMC is pleased to announce three employee personnel changes, all effective as of January 1, 2012.

Stephanie Scott has been named Customer Service and Billing Supervisor. She now has expanded management responsibilities for member services and billing operations. She has been with KREMC for nearly four years and most recently served as Lead Customer Service Representative.

Curt Barkey has been named Lead Systems Analyst. He now has expanded Information Technology responsibilities that include administrative management of the Advanced Metering Infrastructure (AMI) technology implementation. He has been with KREMC for nearly four years and most recently served as Geographic Information Systems Analyst.

Tanner Alger has been named Application Systems Technician. In his new role he will be responsible for the Geographic Information Systems, outage data management, and additional Information Technology projects. He has been with KREMC for nearly four years and most recently served as Service Technician.

Kosciusko REMC is a Touchstone Energy® electric cooperative serving more than 17,000 members throughout Kosciusko County and into surrounding counties.
