Kosciusko REMC to sponsor \$1,000 scholarships for 2012-13 school year

WARSAW, INDIANA (January 26, 2012) -- Kosciusko REMC will sponsor \$1,000 scholarships for up to six selected high school seniors or current college or graduate students for the 2012-13 school year. Applications are available at the Kosciusko REMC office, 370 South 250 East, and can be downloaded from the "Community Involvement" area of the cooperative website at www.kremc.com. Applications also are available from area high school guidance offices. The deadline is Friday, March 30, 2012, to submit completed applications to the KREMC office.

Applicants must be a member, or the dependent of a member, of KREMC. The scholarships will be awarded based on a combination of academic achievement, financial need and community involvement/leadership. Graduating high school seniors and current college students, as well as adults working towards a bachelor's, master's or doctoral degree, are eligible to apply so long as the scholarship funds are remitted to an accredited two- or four-year college or university.

This marks the ninth year for the KREMC scholarship program, which has awarded \$46,000 in scholarships during its history. For more information, contact Troy Cozad, KREMC Communications Specialist, at 574-269-0349.

Kosciusko REMC is a Touchstone Energy® electric cooperative serving more than 17,000 members throughout Kosciusko County and into surrounding counties.
