

370 South 250 East
Warsaw, IN 46582

574-267-6331

Applicants,

This grant application is for funding from the Kosciusko REMC EnviroWatts® Fund. Applications will be accepted and reviewed by Kosciusko REMC as they are submitted.

EnviroWatts® Project Guidelines

Funding from the EnviroWatts® Fund is available for nonprofit, service organizations for environmentally friendly projects that will benefit people in Kosciusko County. These project guidelines have been created to assist those who are submitting an application for funding by identifying those environmental projects more likely to be considered acceptable. Even though a project might seem to fit well within these guidelines, Kosciusko REMC reserves the right to fund or the right not to fund any particular project. Kosciusko REMC is limited by monies available in the fund. This may result in only a few projects being funded out of a number of well-deserving projects.

Types of projects that might be funded by EnviroWatts® include those which:

- Develop renewable energy sources and resources
- Reduce energy use
- Improve water quality of rivers, streams and underground aquifers
- Improve air quality of local area
- Enhance species diversity
- Create or restore habitat for wildlife
- Plant trees or native plants
- Encourage recycling
- Educate individuals about safe disposal of waste, especially hazardous/chemical waste
- Educate the public on local environmental issues
- Educate children on renewable energy sources, such as solar energy

Applicants will be advised of the decision of Kosciusko REMC regarding their funding six to eight weeks after submittal. Recipients will be asked to pick up their checks at our office at an agreed time. A press release may be printed in the Indiana Connection, area newspapers, and issued to local radio stations, as desired by the REMC to promote the EnviroWatts® program.

If you have any questions concerning this grant application, please contact Laura Seney at the Kosciusko REMC office at lseney@kremc.com or (574) 269-0354.

EnviroWatts® Grant Application

I. General Information

Name of Organization_____

Address_____

Phone Number_____Email Address_____

Contact Person_____Title_____

Phone Number (if different from above)_____

Amount Requested: _____
